

# Year 2

# Great Fire Of London Day

Australasia Class have had a wonderful morning experiencing what life would have been like in 17<sup>th</sup> Century London. They arrived, dressed for the experience, and were whisked away to live life as it would have been just before The Great Fire began. They made Rose and Lemon creams, bread rolls, learnt to write with a quill pen and much more....but don't worry, no fires were made in this time travelling experience!
