

This was the week that...

The last 5 weeks have flown by at such a rapid rate! The children have been extremely busy and have learnt a great deal. This week has been no exception - everything from formal assessments to cosmic yoga has been taking place!

Years 1 and 2 have been learning yoga in their PE lessons this week – not just any yoga, however – it's been Cosmic Yoga to tie in with their Moon Zoom topic. Year 2 have also been having a practise of what it might be like to do their SATs as well, so they are likely to be very tired this week!

Year 2 PE – Cosmic Yoga!

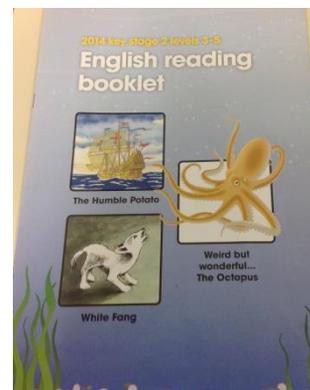

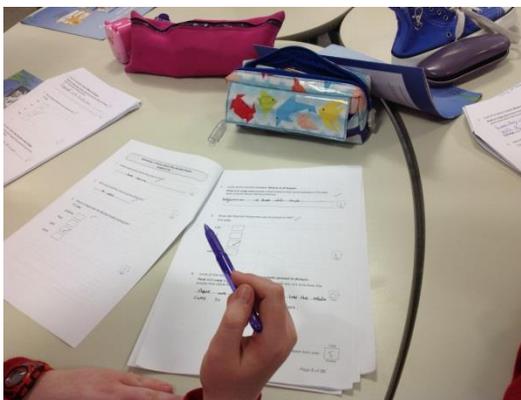

Year 1 Learning to weigh and ensure balance in maths.

Year 2 Practising SATs

Year 1 doing Cosmic Yoga to start their day

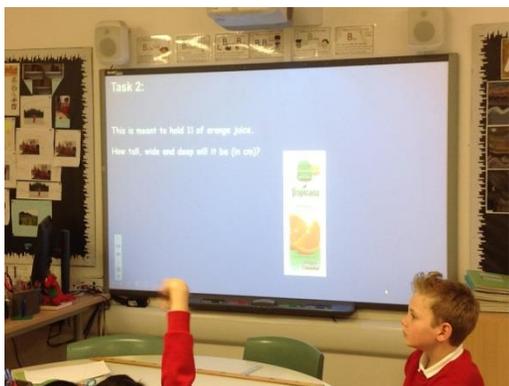

Years 3, 4, 5 and 6 have all been doing formal assessments this week so that we can check in and see whether they are remembering all of their maths and English. Year 6 have had a full practice SATs week so we can see where their gaps in knowledge might be and make plans to help them.

It hasn't all been tests, tests, tests, though – here's a sample of some of the other work going on this week!

Creating Alchemy Island in Art, Design and ICT!

“This is meant to hold one litre of orange. How tall, wide and deep will it be in cms?” Maths in context in Year 5!

Thank you to anyone who came to the Early Years Stay and Play morning this week. We really enjoyed having you in and hope that you were pleased to see how much your child has developed since they started with us in September.

I have been reliably informed that this is alien slime!

The children really enjoyed exploring the evidence that showed we had been visited by aliens!

The Building Work Begins!

Over half term a team of archaeologists are coming to school to excavate the concrete area outside of the Y5/6 building, hall and kitchen and across to the Early Years outdoor area. A temporary rubber matting pathway will be in place for you all to follow in order to drop off and pick up your children on the main playground. A copy of the plan is being sent out to you so you can see which areas will be fenced off.

Parking Reminder

This is just a gentle reminder to park considerately while dropping your children off to school and while picking them up. Please use the Village Hall car park as much as possible and avoid parking on pavements or outside the shops as this can make things difficult for other pedestrians and shop customers.
