

Dear Parents and Carers,

Welcome to this term's Takeaway Homework! This term our topic is "Misty Mountain Sierra"

Each week your child should:

- **Read for at least 10 minutes each night (please sign their reading record book each time)**
 - **Do at least 40 minutes of LEXIA a week (Year 4 only)**
 - **Practise their times tables for at least 5 minutes each night (this could be online using Times Table Rockstars)**
 - **Spend at least 5 minutes practising their spelling words in their spelling books.**
 - Select at least one activity from the attached sheet (they should attempt at least 1 Extra Hot challenge each half term)
-
- Please try to encourage your child to complete all of the above things each week. If it is recorded in their Homework Diary they will receive a team point for each completed activity.

Have fun!

Mrs Hutt

Spring Term B

Lower Key Stage 2

Take Away Homework!

Choose your homework from the menu below:

The Peri-ometer suggests the difficulty or challenge the homework may offer. Every term you should attempt **at least one 'EXTRA HOT'** task!

Power-Point Presentation:

Chose one of the world's highest mountains and create a PowerPoint Presentation all about it to show your class. Don't forget to include lots of interesting images and information.

3D model:

Create a 3-D model of a mountain, mountain range or a particular local hill using ingredients of your choice. You could use jelly, cake or even mashed potato! Who can make the highest structure? Or the most realistic one? Take a picture to compare with your classmates model

Scrapbook:

Research mountain sports such as skiing, snowboarding, rock climbing or mountain biking. Choose one that excites you and create a scrapbook of information and images. Feature the equipment or clothing needed and the world's best competitors in the sport. Perhaps you could find a class or club and try the sport for yourself

Animals:

Find out about animals that inhabit a mountainous area of the world. How do they adapt and survive? Are any of these animals endangered? Why?

Instructions:

How did you make your 3-D model? Write a list of instructions to tell someone else how you did it.

Rap!

Write a "water-cycle" song or rap! Make sure you fit in the key words, like condensation, precipitation and evaporation.

Information Book:

Write an information book explaining how different types of mountains are formed. You could look at fold, block, dome, volcanic or plateau mountains and give examples of each type of mountain.

Diary Entry:

Write a diary entry for a child living in a mountainous region of the world. What happens in their daily life? How would their day differ from your own?

Water-Cycle

Make a model or poster to show how the water cycle works.

Fact Files:

Create fact files about famous mountaineers such as George Mallory, Sir Edmund Hilary or Reinhold Messner

True or False:

Write a true or false quiz which includes amazing statements about mountains of the world.

Wanted!

Research mysterious primates that have inspired people to search for them (like the Yeti, Bigfoot, Yeren) Make wanted posters, featuring an illustration of what you think they may look like.
