

## PE & School Sport Premium 2014/15 Forest Heath Sports Partnership

With the PE & School Sport Premium now in place until at least August 2016 there is a real opportunity to engage in some positive projects and initiatives that will cement PE, sport and physical activity at the heart of every school in the Partnership.

All inter-school competitions will be delivered by the Partnership through the Forest Heath Primary Schools Sports Association for an annual membership fee per school of £100 (2014/15). Access to the competitions is free, but the membership fee covers the 'Coaching for Teachers' programme, venue hire, officials, medals, trophies and certificates for the competitions.

The table below shows the projects and initiatives West Row will be involved in, in the 2014/15 academic year. It has been designed in response to the views of PE Coordinators, Head teachers and a range of other partners in an effort to provide a comprehensive package. The offer has been carefully prepared to ensure that it complements, rather than competes with, that available through Schools' Choice (Learning & Improvement Service). Each area of work has been assigned a cost and the total cost to each school of buying into the package is indicated at the bottom of the table.
